Morgan Keely ~ Our Woofi Ambassador

Morgan Keely of East Greenville PA is one special young girl and such a blessing to others. She is one of our youngest ambassadors—using Woofi to share God’s Love with others in need. Morgan has raised money and worked to provide over 250 Woofi puppies and lots of love to children in the area.

Born in 2006 with a significant hearing deficit, Morgan went under several surgeries at the Children’s Hospital of Philadelphia (CHOP). After her surgery, the staff there gave her a bucket of goodies. This act of kindness inspired Morgan to “give back” to other children in need. Her “buckets” are of course filled with various goodies for kids, but most importantly a Woofi and a book, donated by “Because We Care Ministries”.

Thank you Morgan!!!

Start a Woofi Bank at Your Church

A big welcome to First Baptist Welcome Church in Lexington, NC! First Baptist has started a Woofi Bank and they were able to give 36 puppies to a Ronald McDonald House—and the place had 35 rooms! It’s a God thing!

When someone donates \$20 for a Woofi, they receive a puppy, and a 2nd Woofi will be credited to your church's puppy bank. Your church can then give the banked puppy as an outreach project to share The Good News, and bring comfort to a man, woman or child you choose. Many churches have given puppies away on missions trips, pastoral visitations, local outreaches and even widows. People need the Lord! What better way to leave a constant reminder with someone that you really care about them and so does Jesus.

You can also schedule for us to come and make a personal presentation to your church or non-profit group about the exciting new way to present the Gospel to a hurting world today. Call us at [610-287-6073](tel:610-287-6073) and find out if we are available for your next service or meeting or to start a puppy bank.

Woofi's Bark-worthy News!

Here's Bonnie, with Woofi of course, calling to meet Joseph's family

Bonnie and Ken Harris, who are part of Woofi Ministries, have a tremendous heart for the Lord and for planting seeds to lead people to Him. They have a special relationship with a musical group called "Adam's Road".

Bonnie gave Joseph, a member of the band, a Woofi and book. Joseph then gave them to the Youth Pastor he knows from Winter Garden Baptist Church to help with

their ministry. We are excited about this new opportunity for the Woofi Ministry to grow and to spread the message of the Gospel in Florida.

Members of the band live in the Edgewater B & B with their six children. Bonnie and Ken decided to surprise the kids with their own Woofi to love and cuddle—and to share God's great love!

WHERE IN THE WORLD IS WOOFI?

Marlborough Elementary
Holiday Bazaar
Green Lane, PA

Woofi was in force at the annual Holiday Bazaar in Green Lane, Pennsylvania. The Smiths setup a booth in the Marlborough Elementary School in early December for a one day bazaar and craft show. Many visitors were familiar with Woofi and his pals because Green Lane is right down the road from Morgan's (see cover story) hometown of E. Greenville! New friends were made during the event and the day was a great success.

Letters from Woofi Supporters

Dave Papura, Sr. Warden at St. Luke's on the Hill, Mechanicville, NY writes:

Thank you for your ministry with Woofi and friends, they are a wonderful part of any healing process. Father John and Deacon Lynne presented my mom with a Woofi during her stay at Albany Medical Center. Woofi brought her so much joy . . . And she made sure she showed everyone new to her room, and was so excited to lift the ears for wonderful blessings and scripture on his collar, paws (and ears). We have donated 10 Woofi's to her ICU at Albany Medical Center in her name.

Earl Johnson, Dept. of Veterans Affairs

On behalf of Coatesville VA Medical Center patients and staff, we would like to extend our appreciation to you for your donation of 36 plush puppies for the benefit of hospitalized veterans. Your thoughtfulness reflects the concern that you feel for our Veterans and for the service they provided to all of us.

Please write a short message to a child who will be receiving the 2nd "Woofi" Puppy that you are donating, and return to us.

My name is Walker and I am 6 years old. I love my Woofi that my grandmother got me for Christmas. I hope you love your Woofi too! I love Jesus more than Woofi or anything. I love you!!!

Elijah Platchek, Elementary School Principal and Missions Team Coordinator, from West-Mont Christian Academy writes:

"What a blessing when Woofi is able to visit our school! The presentation of Woofi is so special and interactive. The presenters are so personal, caring and loving in their approach with the children. There is always a great story read with full presentation of pages for each student to see the pictures in color. However, the real highlight of the time is when a real 6 foot Woofi appears to greet the students! Woofi shares some time with the students through hugs, one of Woofi's favorite things, and picture opportunities. Woofi the Missionary Puppy is without a doubt a well done professional presentation of a true, alive and active foundation sharing the love of Jesus throughout the world.
